Dear Member:

Thank you for contacting San Francisco Fire Credit Union regarding electronic debit transactions from your account.

San Francisco Fire Credit Union posted the entries to your account as received. If the entries posted were unauthorized, it means an electronic funds transfer from your account was not authorized by you, previously authorized but has been revoked, posted to your account greater than the amount authorized or earlier than authorized. An unauthorized debit does not include an electronic funds transfer initiated with fraudulent intent by the consumer or any person acting in concert with the consumer. An improper debit means Re-presented Check (RCK) as described in Section II of the Affidavit; Point-of-Purchase (POP), or Accounts Receivable Entry (ARC) that meets the criteria described in Section III of the Affidavit.

According to National Automated Clearing House Association (NACHA) rules, we have very limited time to return the entries listed. Please complete and return the affidavit within 45 days from the date the entries posted to your account. Please contact the originating company to ensure no further entries are posted to your account.

If you have any questions, please give us a call at 1 (888) 499-FIRE or contact us via email at operations@sffirecu.org.

Thank you for making San Francisco Fire Credit Union your financial institution of choice.

Sincerely,

San Francisco Fire Credit Union
